If you are interested in making a donation to help CLLC's children and youth go to camp, please send your donations to the church office or place in the offering plate, and mark "Campership" on the envelope or in the memo line of your check. Your donation is appreciated and helps to insure that all are able to have a life-changing experience at Luther Point Bible Camp.

If you would like a campership for your child to attend camp, please pick up a request form on the children's ministry bulletin board or the church office.
