I would like to thank all the members of CLLC for the thoughts and prayers for Roxy during the years she battled against cancer. I would like to thank Pastors Barb and Craig for their many visits, Pastor Steve for his visits and kind words at the funeral service.

God Bless,  
The Family of Roxy Bahn

**9th Grade Confirmation:**

9th Graders are invited to a special reception at the Youth Ministry Team Meeting on **Tuesday, Oct. 10th at 7pm**. The Youth Ministry Team will host a special reception for the 9th graders at the beginning of the meeting. The 9th grade part of the meeting will last no more than an hour, and you get your committee meeting requirement out of the way!!! AND THERE WILL BE FOOD ☺

Martha Arnold and the Chisago County Relay for Life team is already planning for next year's event. The Relay on September 30th was a success in many ways. Their goal was to raise \$43,000 for cancer and they received almost \$52,000 and that didn't include food receipts and late money still coming in!

I though they went out of their way to honor survivors when they recognized them and met with them by themselves. There was one who has survived cancer for one month and one who has survived for 53 years.

They had more than 2000 luminaries around the track. The luminaries our members purchased and extra donations permitted me to bring up 80 luminaries.

Thanks for your support,  
Jerry Vitalis

Get your second wind each Sunday morning at 9:45, with a study led by Pastor Steve. Grab you cup of coffee and join us for Second Wind in the Green Room.
