

Lots of changes for Relay for Life

The Chisago County Relay for Life is in the midst of changes this year. The event has been moved from the Almelund Threshing grounds to North Branch Outlet Mall.

It will be held on July 14th starting at 4:00 pm. Martha Arnold has retired and the new chairperson is JoAnn Belau.

For the past few years I have not been a part of any team and yet I have sold many luminarias on my own. Last year I sold

luminarias at our church and members responded very well. Many have already been asking about luminarias so I will do what I can. I also have a record of those who bought last year but if you want to reach me my number is 651-257-4496 and my email is

jerry.vitalis@gmail.com.

If there is anyone that would like to help me sell luminarias and train to take over this ministry at CLLC, please contact me.

Welcome to worship at Chisago Lake Lutheran Church this morning. Gathering on Sunday mornings have been a Christian tradition for 2000 years. In this place, during this hour, we are family. We sing together, we pray together, we break bread together, and when we leave, we're still family. So, welcome sister. Brother. We're glad you've joined us today!
